## 📑 CERTIFICATION

**GOOGLE UX SPECIALIZATION**
*Coursera*

This certification in coursera made by google is consist 7 courses including : Foundations of User Experience (UX) Design , Start the UX Design Process: Empathize, Define, and Ideate ,Build Wireframes and Low-Fidelity Prototypes , Conduct UX Research and Test Early Concepts , Create High-Fidelity Designs and Prototypes in Figma , Responsive Web Design in Adobe XD and Design a User Experience for Social Good & Prepare for Jobs . This certification upgraded my skills in UX Deisgn .

## ABOUT ME

I have nearly 7 years of experience in designing, developing, and maintaining websites. I also have experience in transferring domains and uploading website files to servers like Hostinger and SiteGround. I am currently seeking a full-time UI/UX Design position, as I am more passionate about designing than developing websites. I enjoy visual design, prototyping, and iteration based on research.
